- Meeting with Greene king on the horizon. MR suggested that more clarification is needed regarding barrelage on spirits. TB suggested that clarification was needed regarding pipe cleaning and the effect this has on stock take etc.
- Orchard players have contacted to ask for the same set up as previous panto showings. **All in agreeance.**

Trust Report

- IB stated that fireworks were a fantastic achievement by all and raised a good amount. Ian asked if anyone had anything they would like to discuss or add.
- SB stated that of late it had been noticed that the hall and foyer smelt unpleasant and that scrutiny was possibly needed regarding the cleaning, especially from a first impressions aspect. The hall seems to collect a lot of dog hair following the puppy classes and thought possibly a large Swiffer type mop may be needed to keep it hygienic. It was also stated that the gent's toilets (hall side), were smelling awfully strong (SH stated he could sort this via a plumber if needed).
